

6 January 2017

Dear Parent/Carer

**'Eyes on the Prize' - Anglia Ruskin University; Friday 20 January 2017**

We have been given a great opportunity for all our Year 9 students to attend an event hosted by Anglia Ruskin University in Peterborough. 'Eyes on the Prize' is an event focussed on supporting school students with their GCSE Options.

With support from local colleges, apprenticeship providers, employers and universities, Anglia Ruskin University hosts a careers fair to provide students with the opportunity to focus on their future and raise awareness of the best possible options. This will be an invaluable contribution to the Year 9 Options process in school. You will be receiving more information about that process in due course.

We are booked for an afternoon session. We will travel to the venue in three coaches and will therefore leave school at 11.00am. We will return to the Academy by approximately 3.30pm. Since we will not be in school for lunch, it is advisable that students should bring a packed lunch and we will facilitate time for eating it.

The event itself is free and Anglia Ruskin University are making a significant contribution towards the cost of the transport. This means the whole event is free to students and we therefore expect all students to attend. Students will be expected to wear full school uniform.

We hope you will support us in what should be a really interesting afternoon for them. However, if for any reason you do not wish your son/daughter to take part in this event, please let Student Admin aware either by email; [vgarratt@ernulf.cambs.sch.uk](mailto:vgarratt@ernulf.cambs.sch.uk) or by phone on 01480 374748.

Yours sincerely

Miss Beth Williamson

CEIAG Coordinator
