Headteacher: Ms Tracy Brogan

6 July 2017

Dear Parent/Carer

We have decided to make some changes to our Student Support structures in order to ensure that we continue to best support students to make excellent progress with their learning. The main change is within Key Stage 3 (Years 7-9) where we are moving away from grouping students into Schools; Aspen, Maple and Willow in terms of support and progress. For September the students will be supported in Year Groups. Mr Dewar will oversee Year 7 and Mr Crook will be Head of Years 8 and 9. In Key Stage 4, Mr David will continue to oversee Years 10 and 11.

All students will still be allocated to a School of Aspen, Maple and Willow for various competitions through the year including Sports Events.

Students will be informed of the changes this week and the new system will operate over the last two weeks of term in preparation for September.

Yours sincerely

Ms Tracy Brogan  
Headteacher
