

17 November 2017

Dear Parent/Carer

Year 7 Celebration evening – Thursday 7 December 2017

This year we have introduced a new series of celebration events to recognise student achievement at Ernulf Academy.

I am writing to invite you to the Year 7 Celebration evening on Thursday 7 December 2017. As a group they have settled extremely well into Ernulf and have been making good progress across their full range of subjects. This is a fantastic opportunity to showcase to you some of the excellent work already completed by Year 7 students.

As part of the evening there will be some Musical performances as well as an opportunity to see and hear students work. There will be a presentation of awards recognising individual student achievements in both subject areas and the new Lesson Monitor system.

The event will start at 6.00pm in the Performing Arts area and refreshments will be available.

We would like all of Year 7 to attend if possible. They have been practising a number of songs as form groups and will be performing as a group during the evening. Students should attend in full school uniform.

I hope you are able to join us for this fantastic event and look forward to seeing you on Thursday 7 December.

If you have any further questions regarding the event, or any other aspect of your son / daughter's transition to secondary school then please feel free to contact me by email; ADewar@ernulf.cambs.sch.uk or phone 01480 374748.

Yours sincerely

Mr A Dewar
Assistant Headteacher, Head of Year 7
