

In the Academy this week:

- Year 10 and 12 Photos Wed 28 January 2015
- Year 9 Options evening Thurs 29 January 6pm

Clubs:

Breakfast club: From 8.00am in the canteen free breakfast for all, get a good start to the day

Homework Club: Every day after school 3.10 until 4.30pm in the Library

Kick Ash

On the 14 January 11 students took part in the Kick Ash project in the Academy. The Kick Ash project involves training students to be mentors to support other students in the school. In addition they will be asked to assist in a visit to primary schools to support year 6 during a PSHE lesson based around smoking. Throughout the Academic Year it is hoped that the students will organise some activities within the Academy to discourage smoking. They will also complete a project to support No Smoking Day.

Dates for Diary:

- Year 11 Leavers photo Wed 4 February
- Year 8 Parents Evening Thurs 12 February

View from the Academy:

Cambodia Expedition Quiz Night

Congratulations to Callum, Jacob Jordan and Blake who organised the Quiz in order to raise money to fund their expedition to Cambodia. A great night was had by staff and parents. The winning team... Senior Leaders. See their smiling winning faces above.

Letter from France

Last week the Year 7 International Tutor Group received another letter from their pen-friends in our French link school in Salon de Provence. The students were thrilled to get another letter and are now busy writing replies to their French partners. French students get to practise their English language skills and Ernulf students get to use their newly acquired language skills from their French lessons to keep in touch with their new friends by letters. For many of the students, this is the first time that they have written and received paper letters – making Miss Valle, the group’s tutor, feel very old!

Ernulf Sports Report: Kayaking

6th form students at Ernulf Academy took up a unique opportunity to take part in a new activity, Kayaking! The opportunity has enabled students to learn some of the key skills associated with the sport in the One Leisure pool. The sessions were delivered by an experienced instructor from Grafham Water, working in partnership with Huntingdonshire District Council.

The first session introduced students to the brand new kayaks, and focused on developing the key skills needed to manoeuvre the kayaks effectively. The students really enjoyed the session, and are already looking forward to the second instalment next week.

The kayaking sessions are free of charge, and there are a small number of spaces still available for the remaining sessions. If any member of the 6th form would like to be involved in the kayak sessions, please contact either Mr Bond or Miss Wallace to register your interest.
